DEAR PARISHIONERS

This week I am in the market for cars and trucks, or should I say a car and a truck. Our sisters are in need of a good, dependable, car with air-conditioning (their present vehicle is neither dependable nor air-conditioned) and the parish truck died during Touch-a-Truck (interestingly enough)! It looks like we have good prospects and good deals on both. If anyone would like to help with these purchases, please let me know.

As we get close to the end of the year, perhaps some of you are looking for places to make charitable contributions so as to alleviate your tax burden. Please keep your parish in mind! In addition to being able to receive monetary donations that are tax-deductible, the parish can also receive donations of stock or property that can likewise help ease your taxes. Also, a future oriented way to assist your parish is in your estate planning and through life insurance policies. As always, we thank you for your continued generosity.

Fr. Zinno
