DEAR PARISHIONERS

The New Year has begun once again! Each New Year always holds out new possibilities for us. We make resolutions, promise to accomplish things, and seek to make anew what was once old. The New Year means we are also one year closer to the end of our days. Certainly we don't like to dwell on our mortality, yet we can't escape this one fact of life. If there are resolutions to make this year, if there are promises to be made, if we want to right the wrongs, then first we must turn to God and recognized that if it weren't for His Grace and the salvation His Son won for us, each New Year would hold out little promise for us. Resolve then for this year to be a year filled with growth in your closeness to the Lord. With that resolution then you will know that this year will be good year, a year of strength found in our dependence on God.

Don't forget the concert this afternoon. What a wonderful way to conclude the Christmas Season, in song and festivity here in the Church. See you there!

FR. ZINNO

DON'T FORGET THE CHURCH in your preparation for the end of the tax year. Donations to the Church, (monetary, stock, property) are a tax deduction that can help you, and a way, at year's end, to assist your parish in the work of God.

They were overjoyed at seeing the star, and on entering the house they saw the child with Mary, his mother. They prostrated themselves and did him homage. Then they opened their treasures and offered him gifts of gold, frankincense, and myrrh. -Mt 2:10-11
