**DEAR PARISHIONERS,**

School begins soon!!! Though it is always sad to see the summer come to an end, it is always exciting beginning a new school year. To our young people who are beginning or returning to college, we wish you God's blessing. Your faith is to be a vital part of your college experience. God's presence is so needed on the university campus and in the college class room as well. Only YOU can bring it there! To those in high school, your faith, too, plays a vital role in these formative years. Say "Yes" to God and He will be ever close to you. Finally, to those in younger grades, most especially to those in our parish school, we wish you the best as you continue to grow in faith, wisdom and knowledge.

Please remember to give to the poor box on a regular basis. Through your generosity we are enabled to help individuals and families in need.
