OUR LADY OF GRACE STATUE CANDLES

Cosmo Mancieri, 9th Anniversary, by Wife & Son

DEAR PARISHIONERS

Work should begin, in the following days, on the next phase of our plan to make our parish SAFE and SECURE for the FUTURE. We will begin re-wiring the areas of the Church that need to be done and installing what is required to bring the Church up to fire code. Likewise, we will install an upgrade to the partial system that already exists in the parish office and parish library.

The final year of redemption has begun on our Capital Campaign. We thank you for your generosity. There are a few pledges that are slightly behind due to the poor economic times, but I’m sure that as the financial situation improves, these pledges will get back to normal. To date we have taken in \$801,312.82 of an approximate 1.1million dollar pledged support for our campaign. We have spent \$722,477.74. This new project will cost about \$46,000.00. A more detailed summary will be available when I make the annual financial report to the parish in September.

After Christmas sometime, with a target conclusion date of Easter, we will begin the work of replacing the old pews, adding more space between the pews, angling the side pews, and refinishing the floor underneath the pews. We hope to offer for sale, to parishioners, the old pews (especially the smaller ones) which you may like to bring home, refinish, and place in your homes as a keepsake. We will keep you informed as we move along!

Fr. Zinno
