DEAR PARISHIONERS

This past week, I received a letter thanking our parish for the tremendous generosity in the Catholic Charity Fund Appeal. Believe it or not, we have reached a total of **\$60,118.00!!!!** I must admit that I was so happy and even surprised that we went over that milestone. It is always so important for us as a parish to respond to the needs of others, while we address all the needs of our parish.

Our parish finance council is currently discussing some of the physical needs of our parish: the installation of the fire alarm system, repair of the brick work in the front of the Church, re-exploring the possibility of making the front of the Church handicap accessible, enlarging the cry room, and putting in a new bathroom, eliminating our debt, and likewise many other small projects. We need to be prepared and safe for the future!

FR. ZINNO
